

Planned giving comes in a variety of forms and provides you with the opportunity to help secure the future of the children ProKids serves. By remembering us through planned giving you support the ProKids vision of a safe, permanent and nurturing home for every child in our community.

-A bequest in your will or living trust lets you take care of loved ones first but make a remarkable difference in the lives of others upon your death.

-Often a planned gift can help you make a more significant gift than you might otherwise have imagined - - without sacrificing income or security for you or your family.

-Naming us as a beneficiary of your retirement plan can help your heirs avoid both income taxes and estate taxes at your death (double taxation!) while sharing your generosity with abused and neglected children in our community. Because we are tax-exempt, we put 100% of your dollars to work protecting children, but your family would only get to keep a fraction of the IRA benefits because of the double taxation.

-The gift of life insurance transforms a modest investment into a much larger benefit for both you and ProKids.

Making a planned gift is easy. Contact your attorney or financial planner or Bill Montague, an estate planning attorney who is a friend of ProKids, who is happy to answer your questions. He can be reached at: wmontague@fbtlaw.com or 513-651-6920.

Individuals who make a bequest or estate gift to ProKids are regularly recognized and thanked for their enduring generosity. We also respect that some donors prefer anonymity.
